

Preparation

- Connect with the primary shooter 1-2 weeks before the wedding.
- Know Locations & Start/End times.
- Discuss what events should be covered during the day as the second (see sections of the day below.)
- What events will the second be with the lead?
- What events will be covered by the second alone?
- How will you communicate with the lead during the day?

Things to Remember

1. Review "Wedding Details" in the portal.
2. Overcommunicate during the wedding day.
3. Have fun & provide a great experience for the couple!
